

Advanced Driving School Inc. Privacy Policy

This Privacy Policy describes the collection, use and disclosure of certain information that may be collected by Advanced Driving School, Inc. whenever you interact with us. For example, such information may be collected by Advanced Driving School, Inc. when you visit the website, when you purchase Advanced Driving School, Inc. products and services, and when you contact us by telephone or by email. Advanced Driving School, Inc. takes your privacy very seriously and is committed to working to protect the privacy and security of the information we gather about you.

As used in this Policy, “personal information” means any information that enables Advanced Driving School Inc. to directly identify you, such as, but not limited to, your name, e-mail address, home address, telephone number, and credit card information.

Information You Give Us

In general, you may visit this website without providing any personal information. For example, you may choose to provide us with your personal information or the personal information of your child if you submit questions or comments, or choose to enroll for Advanced Driving School Inc. services electronically.

There are a number of off-line conditions in which you may give us personal information. For example, Advanced Driving School Inc. may record your personal information or that of your child when discussing Advanced Driving School Inc. products and services with you over the phone.

Advanced Driving School Inc. may additionally collect any and all information you submit to us in any form. Such information may include, but is not limited to any e-mails you send to Advanced Driving School Inc. or any data you submit to us in any other format, whether on-line or off-line, e.g. mailing registration forms to our office.

Information Gathered When Enrolling in Online Courses

When you enroll in our online courses, we collect information that enables Advanced Driving School Inc. to directly identify you and track your progress in the course you are enrolled in. Your information such as your name, address, phone number, date of birth, driving permit number if applicable, your IP address, the date and time you visited the website, times you log into and log out of the course.

Use of Information

Why We Collect Information

Advanced Driving School, Inc. collects your personal information and your non-personal Information because it helps us deliver the best customer service experience possible. It enables us to give you convenient access to our products and services such as online enrollment, online payments, and online scheduling for drive appointments. In addition, your personal information helps us keep you informed on your child's driver education progress and further allows us the ability to offer additional services to you. Your contact information allows us to send e-mails, and contact you by phone regarding services that you have purchased, or regarding any change in services that may apply to you, such as classes or drives cancelled due to inclement weather.

Disclosure of Your Personal Information

Advanced Driving School, Inc. does not disclose or sell your personal information to any outside parties such as marketing or advertising companies.

Securing Your Information

The safeguarding of the personal information you provide to Advanced Driving School, Inc. is important to us.

Any Personal Information that you submit to us through the website that does not include your credit card number(s) may be transmitted to us by a non-secure e-mail as part of our enrollment process.

Not included in the above, any transmissions of personal information provided to us through the website that includes your credit card number(s) shall be protected and secured using reasonable and current security methods and technologies to help prevent unauthorized access, loss, theft and misuse.

Once stored in our database(s), Advanced Driving School, Inc. has safeguards in place to prevent your personal information from unauthorized access, loss, theft and misuse. The data collected is to be relevant and used only for the purpose of which it was intended. While no system is completely foolproof, we take security very seriously, and our security measures are designed to protect information in a responsible manner. We cannot guaranty that our measures will completely eliminate any unauthorized access to your information, and by using the website and/or providing information to us in any other manner, you assume this risk.

Revisions

Advanced Driving School, Inc. may revise any or all of our Privacy Policy by posting it to our website. By using our website, you agree to any and all revisions made to this policy.

Contact Us

You may contact Advanced Driving School, Inc. if you have questions about this privacy policy.
